## ABOUT US

The Ocean County Career Center has a full range of career and training services accessible to all customers, regardless of eligibility. Career service plans are based on individual customer's interests, existing skills and the skills they need to transition into the workforce.

At our Career Center we will provide resources from the community to those coping with but not limited to, mental health issues, childcare needs, public assistance, career counseling and job training!

Our career services team works collaboratively with our Work First New Jersey (WFNJ) providers and the Ocean County Board of Social Services to address recipient's obstacles to success and connecting them with the appropriate supports as early as possible.
