Career and training services are accessible to all customers, regardless of eligibility.

Plans are designed based on your interests, existing skills and the skills you need to transition into the workforce.

Our team works with Work First New Jersey (WFNJ) providers and the Ocean County Board of Social Services to address your obstacles to success and connects you with the appropriate support.

Services to Meet Your Hiring Needs & Grow Your Business

Fill your hiring needs and foster growth for your local business. We collaborate with employers and training providers to identify essential job skills and provide training for eligible candidates, leading to industry-valued credentials.

By connecting businesses with skilled candidates and organizing targeted recruitment events in key sectors like healthcare, manufacturing, hospitality, and logistics, we help meet workforce demands. Additionally, we offer guidance on incentives such as wage subsidies, apprenticeships, and on-the-job training programs to help businesses thrive.
