Jobseeker Services

ARE YOU LOOKING FOR A JOB?

Professional employment counselors

- Our counselors are available to help you find work in today's economy — at no cost. No matter what kind of job you had or what kind of job you're looking for, we'll help you develop a winning plan for your job search.

One-Stop Career Centers in every county

- Visit any of our convenient locations throughout New Jersey to meet an employment counselor, use our public computers to look for a job, or find out more about the other programs and services we have for anyone in the job market.

Personal attention

- We offer many programs and services, especially for people who need extra help finding work. Be sure to tell your counselor if you fit into one of these groups: laid-off workers, youth, ex-offenders, people with limited English skills, and people without a high school diploma. Many offices also have vocational counselors for people with disabilities, and veterans representatives for former military personnel who are making the switch to civilian careers.

NEED NEW SKILLS?

Skills assessment

- Ask your counselor for a skills assessment to determine your strengths. With this information, you can find jobs that match your skills, or learn new skills to make it easier to get a job in today's market.

No-cost computer tutorials

- Refresh your math, English or basic computer skills with free computer tutorials. Ask your counselor about the Workforce Learning Link programs available at One-Stop Career Centers and other convenient locations.

Financial assistance

- You may be able to get help, tuition waivers, or training grants to learn skills that can help you qualify for a good job.

Training

- Apprenticeships and on-the-job training build skills while providing a paycheck. Talk with your counselor about requirements for these opportunities.

WANT TO POWER UP YOUR JOB SEARCH?

Job-search workshops

- One-Stop Career Centers offer frequent workshops on how to write a resume, give a strong interview, market yourself effectively, use labor market information in your job search, find training, and more. If it has been a while since you've looked for a job, get the latest information at your local One-Stop Career Center.

Hiring events

- **NJ.GOV/LABOR** features a calendar of hiring events all over the state. Remember, at these events, you'll want to bring your resume, and dress to make a good first impression!
